

39. Seek Glory of God in all Things

-author unknown

Most charitable Holy Ghost, who on the holy day of Pentecost did fill the hearts of the apostles so lavishly with the wine of divine love that they, being inebriated with love, forgot themselves, and desired neither honor nor advantage in their own behalf, but sought only the honor and glory of God in all things.

I beseech Thee that You would also inebriate my soul with the wine of divine love, that, in like manner, I may desire for myself neither honor nor possessions.

But seek alone the honor and glory of God in all things.

Amen.
